

Alpine Dance Academy 2020-2021 Dance Season

(Sept. 2020-June 2021)

Welcome new students and parents, and welcome back returning dancers and families! We are so happy that you will be joining us for dance this season! Please review the following information carefully, as we will have important policies and procedures in place to ensure the safety of our dancers and staff. Thank you for your cooperation and patience through these ever-changing times.

- **2020-2021 Registration:** To participate in our dance season, you must submit a registration form. Annual registration fee is valid through August 1, 2021.
- **Class Sessions:** Because regulations are always evolving, dance classes will run in sessions. Dancers will be continually enrolled, and sessions will repeat without interruption, unless otherwise expressed.
- **Class Tuition:** Tuition is due, in full, at the beginning of each new session. (Discounted pre-pay option for future sessions is not available at this time.)
- **Participation:** Please keep in mind that your dancer's participation is **voluntary** and it is **your choice** for your child to participate **in person** at the studio. If you are interested in virtual dance classes, please contact the office.
